

Monitor a Safe Workplace

National ID Code: BSBOHS407A

This unit provides the learner skills and knowledge required to implement and monitor the organisation's occupational health and safety (OHS) policies, procedures and programs in the relevant work area to meet legislative requirements.

The unit is aimed at positions with supervisory responsibilities for implementing and monitoring the organisation's OHS policies, procedures and programs in a work area. It will provide the learner the opportunity to broaden their knowledge of OHS policies and to contribute well developed skills in creating solutions to OHS problems through analysis and evaluation of information from a variety of sources.

Course Inclusions:

- Statement of attainment, nationally recognised, BSBOHS407A Monitor a Safe Workplace
- Wire bound notes and workbook
- Mentoring from your trainer and assessor

Assessment Methods:

- Workbook activities
- Scenario based assignments
